RANK ACHIEVEMENT BONUS		\$100,000 USD through \$500,000 USD paid in local currency when achieving Master Pro ranks.													
4% ELITE POOL		4% of total commissionable sales PV paid to qualified Pro 7 through Master Distributors.													

\*PV = Product Volume. Commissions are calculated by taking the PV amount multiplied by the LifeVantage current local currency conversion rate (50 in Philippines as of November, 2021) and then multiplied by the applicable commission or bonus percentage. For theoretical example, 1,000 PV in sales multiplied by 50 (local currency conversion rate) multiplied by 25% bonus = 12,500 PHP.

(1) All bonuses are fully detailed within the LifeVantage Sales Compensation Plan found at the following link: [www.lifevantage.com/legal/ph-en/sales-and-compensation-plan](http://www.lifevantage.com/legal/ph-en/sales-and-compensation-plan).

(2) Receive up to 25% on product sold to new personally enrolled Member Customers and Distributors in Smart Start Bonus within the new Distributor(s) / Member Customer(s) first calendar month, up to 1,000 PV. Member Customer purchase limits may apply.

(3) At least 40 PV must come from personal product purchases with the remaining PV coming from purchases made by personally enrolled Member Customers during the qualification period, which is the 49 calendar days (measured using current Utah, USA time zone) immediately prior to the calculation date (USA Business day immediately following the transaction date).

(4) **PAID RANK** is defined as the rank achieved in the most recently and completely closed monthly UniLevel Commissions period.

(5) The PV requirement for each rank that must come from the Combined Leg.

(6) Fully qualified Pro 3 and higher with at least 200 PV earn up to 10% of the UniLevel Commissions paid to their first 5 generations of personally enrolled Distributors. Ranks Pro 3 through Pro 6 must also have at least 100 PV in new sales volume each month. If PV is 100-199, the qualified Pro 3 and higher will earn only half of the Generational Matching Bonus.

The Distributor sales earnings disclosed in this document are potential gross earnings and not net of other business expenses and not necessarily representative of the actual income, if any, that a Distributor can or will earn through the LifeVantage Sales Compensation Plan. A Distributor's earnings will depend on individual diligence, work effort and market conditions. LifeVantage does not guarantee any income or rank success.
